The Consumer Affairs Act of 1970, Business and Profession Code Section 300 et al, which is the governing law for the Department of Consumer Affairs, requires the Department to represent the interests of California consumers before the State Legislature.

This Legislative Digest summarizes legislation that the Department reviewed on behalf of California consumers during the 2007 legislative year.

We hope that it serves as a useful resource for identifying legislation of interest.

Please don't hesitate to contact Suzanne Larsen, Manager of the Legislative and Regulatory Review Division, at (916) 574-7800 with any questions or comments.
